

Focus Group 4

Warrant Officer Leadership Positions in the Active Component

Co-Leaders:

CW3R Jim Wilson

CW5R Russell Brewer

Team Members

CW5 Al Bamsch

CW3 Mitchell Margeson

CW4 Johnny Talley

CW5 George Wilkins

CW3 Jody Reidenhour

Discussion

There is a plan in the works to create a Warrant Officer of the Army, however, there is no plan to address the creation of leadership positions below this level.

Recommendations

- **Use best practices**
- **Establish a position at each MACOM and theater level**
- **Establish appropriate training**

Justification

Establishment of this position would provide MACOM/theater commanders a single point for addressing issues related to their Warrant Officers.
