

ADDING AN AUTHORIZED USER

Adding an authorized user is a perfect way to share the benefits of your PenFed issued credit card. Authorized users have limited use of and access to the credit card account. However, they do not have the authority to add or delete cardholders, request replacement cards, or terminate/modify the existing card agreement.

AUTHORIZED USER(S) - INFORMATION AND SIGNATURE(S):

By signing below, I understand and agree that in the event of the death of the member cardholder(s), the additional card assigned to me is no longer valid. Any subsequent charges incurred by me, including recurring charges and charges made without the use of the card, become my responsibility to repay.
